

Terms and Conditions

1. Introduction

Welcome to the **MyTalents Assessment Platform**, a service under My Natural Talent. By accessing or using this platform, you agree to abide by these Terms and Conditions.

2. Purpose of the Platform

The MyTalents Assessment is designed to help individuals identify, understand, and develop their natural abilities, strengths, and areas of potential growth. It serves as an educational and motivational tool, offering personal insights for development. It is not a psychological test, official certification, or professional diagnosis.

3. User Responsibilities

Users are expected to:

- Provide accurate, truthful, and up-to-date information during registration and assessment.
- Maintain the confidentiality of their login credentials.
- Use the platform only for personal, non-commercial purposes unless otherwise authorized.
- Refrain from attempting to copy, reproduce, or reverse-engineer the platform's system or content.

MyTalents reserves the right to suspend or terminate access for users who violate these responsibilities.

4. Payments and Fees

All assessments on the MyTalents platform are paid services. The standard fee is \$30 (USD) per user.

Verified students are eligible for a 50% discount, reducing the fee to \$15 (USD).

To qualify for the student discount, users must upload a valid student identification card for verification before payment approval.

Payments are processed securely through approved gateways. Users are responsible for ensuring that their payment details are valid and correct.

Refund Policy:

Once payment has been processed and access to the assessment granted, fees are non-refundable. Refunds may be issued only in exceptional circumstances (e.g., duplicate transactions or verified technical errors) and remain at the discretion of MyTalents.

Currency and Pricing Changes:

All prices are listed in U.S. dollars (USD) unless stated otherwise. MyTalents reserves the right to revise prices, introduce new features, or modify existing offers at any time without prior notice.

5. Intellectual Property Ownership

All materials, assessment tools, reports, designs, and trademarks within the MyTalents platform are the exclusive intellectual property of **My Natural Talent**.

Users are granted limited, personal access to use the platform for self-assessment and educational purposes only. Any form of copying, modification, resale, public distribution, or commercial use without prior written consent from My Natural Talent is strictly prohibited.

6. Limitations of Liability

While MyTalents strives to provide accurate, reliable, and valuable insights, it does not guarantee that all results will be free from error or perfectly reflect an individual's abilities.

MyTalents and My Natural Talent shall not be held responsible for:

- Misinterpretation of results or insights by users.
- Any direct or indirect damages arising from the use or inability to use the platform.

Users are solely responsible for how they interpret and apply their results.

7. Modification of Terms

MyTalents reserves the right to update, revise, or modify these Terms at any time. Any changes will take effect once posted on the platform. Users are encouraged to review the Terms periodically to stay informed of updates.

8. Data Protection and Privacy Commitment

MyTalents values your privacy and is committed to protecting your personal data.

All information provided during registration and assessment is securely stored and used solely for improving your user experience and generating accurate assessment results.

Your data will not be shared, sold, or disclosed to third parties without your consent.

9. Acceptance

By using the MyTalents Assessment, you acknowledge that you have read, understood, and agreed to these Terms and Conditions. Continued use of the platform after updates constitutes acceptance of the revised Terms.

Disclaimer

The information and insights provided through the MyTalents Assessment, a product of My Natural Talent, are designed to help users understand their natural abilities, strengths, and areas for development. While the platform strives for accuracy and relevance, users must understand and agree to the following:

1. Informational Use Only

MyTalents Assessment results are for informational and educational purposes only. They do not constitute professional, psychological, educational, career, medical, or legal advice. Users are encouraged to seek professional guidance before making significant academic, career, or personal decisions.

2. No Guarantee of Outcome

MyTalents platform does not guarantee that assessment results will lead to specific career achievements, job placements, or personal success. Individual progress and outcomes depend on each user's effort, environment, choices, and opportunities.

3. Confidentiality and Data Protection

MyTalents respects and protects user data. All information provided during the assessment process is treated as confidential and is used solely for improving assessment accuracy and user experience. No personal information is shared with third parties without explicit user consent.

4. User Responsibility

Users are solely responsible for how they interpret and apply their assessment results. MyTalents and My Natural Talent are not liable for any direct or indirect decisions, actions, or consequences arising from the use of assessment insights.

5. Dynamic Nature of Results

MyTalents recognizes that individuals grow and evolve. Assessment outcomes may change as users gain new experiences, knowledge, and skills. Users are encouraged to retake the assessment periodically for updated insights.

6. Inclusivity and Non-Discrimination

- The assessment is designed to be fair and inclusive, evaluating human potential regardless of gender, ethnicity, cultural background, or sexual orientation. MyTalents promotes equality and diversity in all its operations.
- The platform does not generate results based on whether a user is male or female. Results are interpreted from a human perspective, not a gendered one. If a user's profile shows a tendency that aligns more with commonly observed male or female traits, this does not imply that the user is being identified or categorized as that gender. MyTalents Assessment recognizes and celebrates each person as a unique human being, whose natural abilities transcend gender labels or stereotypes.

7. Platform Limitations

While MyTalents strives to maintain smooth, secure, and uninterrupted service, there may be occasional disruptions due to maintenance, updates, or technical issues beyond our control.

MyTalents and My Natural Talent shall not be held legally responsible for temporary unavailability, data loss, or technical malfunctions that may arise during platform use.

8. Limitation of Liability

In no event shall MyTalents or My Natural Talent be liable for any damages arising out of the use or inability to use the platform, including but not limited to loss of data, loss of profits, or personal dissatisfaction.

9. Acceptance of Disclaimer

By accessing and using the MyTalents platform, you acknowledge that you have read, understood, and agreed to this disclaimer.
